FEDERAL MARITIME COMMISSION

WASHINGTON, D.C.

September 24, 1991

INFORMAL DOCKET NO. 1695(F)

WILLIAM R. ADAIR

v.

PENN-NORDIC LINES, INC.

ERRATUM

In the initial decision served on September 18, 1991, an item of claimed expense was inadvertently omitted from page 45. This item consisted of \$500 for claimed loss of use of the motorcycle and should have been included in the list of items shown on that page as the third item, making seven items of claimed expenses in all.

The initial decision is accordingly corrected.
